DECEMBER

As November comes to an end, we are full of gratitude! Thank you for your generous contributions to our Turkey Trot fundraiser. We raised over \$4000 which will go towards special program activities for this school year. We hope you enjoyed joining us to go with your children through the obstacle course and helping to create our beautiful gratitude tree!

We are very grateful to the parents who helped set-up and break down the Turkey Trot obstacle course, for bringing in food for the yogurt bar and baked potato bar for our staff during conferences and for helping us create a nativity scene for the Christmas season. Your talents and time are very much appreciated!!

I would also like to thank the teachers and staff for all they do to make each day special for our families and students. Their dedication and commitment is outstanding!

In December we will be creating gifts for parents, learning about Jesus' birth, making cards for the older members of New Hope Church and learning our songs or lines for our Christmas performances on top of all the learning and fun we have each day. Please note the dates for our upcoming events. Your child's teachers will inform you of your child's class' specific days and times for the special events in December. We look forward to gathering with you for our Christmas programs. Have a wonderful and blessed Thanksgiving!

PARENT CORNER

Stop by the office to check out our age specific kits containing fun and hands on activities to do with your child at home.

WARM CLOTHING AND ILLNESSES

Please send a coat, hat and gloves with your children each day. We will continue to go outside on sunny but cold days.

Please be considerate and do not bring your children to school if they are not feeling well. Please do not bring them if you have given them medicine. Children may return to school 24 hours after being fever free without the use of fever-reducing medication.
