MARCH

We are so thankful for your support and participation in our 2025 Parent Night to benefit Common Ground Free Store. Through your remarkable generosity we have raised \$7620! Items from the Common Ground wish list were purchased with some of the funds and are on display for the children to see how our donation will help those in need. The rest of the funds will be donated for Common Ground to use as they choose.

All silent auction items may be picked up at the welcome desk by this Friday, March 7th at noon. Please write a check to Common Ground Free Store for your silent auction amount that was emailed to you from 32 auction. We hope you enjoy your items. There are 10 silent auction items that are still available. They are on the welcome desk counter for your review and can be purchased with the amount shown, first come first serve.

A very special thank you to Allison Blue and Aimee Seggerson for the many hours they spent planning, organizing and leading our staff for the Parent Night outreach. Thank you to the staff for their various efforts during and leading up to Parent Night as well as thanks to you, the parents, for the many donations for the raffle baskets. All raffle baskets have been claimed so you may discard any tickets you may have purchased.

Finally, we are very grateful for all the donations from the various services or businesses or services listed on the next page.

VIRTUE OF THE MONTH

Our March virtue is Strength. Muscles are Strong. Doing what is right is Stronger. God and Jesus are the STRONGEST Ephesians 6:11 Some questions to reflect on with your family: Tell me who you think is Strong? Tell me what make this person so Strong? The armor of God is like putting on a strong suit everyday to protect from sin and things or people that separate us from God.

REMINDERS

Please send your children with a coat. We will be going outside as much as possible, weather permitting, and we want them to be comfortable while playing.

Spring conferences will be April 9 and 10 depending on your class. Conference sign-ups will be emailed on March 20th.

Thank you for your referrals to our program thus far, we are appreciative of your support! We are still enrolling for our Preschool, Kindergarten and Kindergarten Enrichment classes for the 2025-26 school year. If you and the family you refer remain in our program through next April, you will receive \$150 off your April 2026 tuition.
